

RECOMMENDATIONS OF THE NOMINATION COMMITTEE OF HYDROGENPRO ASA TO THE ANNUAL GENERAL MEETING, 29 APRIL 2024

1 MANDATE, COMPOSITION AND WORK

The nomination committee of Hydrogenpro ASA (the "**Company**") comprises Arild S. Frick (chair) and Bjørn Gabriel Reed whom both were elected to the committee by the Company's extraordinary general meeting held on 5 September 2022.

The nomination committee has held some 15 meetings since the annual general meeting in 2023.

The committee has, among other things reviewed the composition of the board of directors, the board of the director's work and it's performance in 2023. As a basis for its assessments, the committee has conducted individual meetings with all existing board members, and with the candidates proposed below (that had not been interviewed by the committee before), as well as a number of other potential candidates. A substantial number of meetings have also been held with the Company's largest shareholders, and the Company's top management. The purpose has been to secure that the proposed composition of the board of director's is well adapted to the Company's current situation and to seek a broad anchoring of the recommended composition.

The committee's workload has been substantial, in excess of 100 hrs for the chair, and around 25 hrs for committee member Reed. This has mainly been driven by significant discussions with some of the largest shareholders and numerous efforts to mediate a common ground. The aim has been to secure a board composition that serves the collective interests of all shareholders and reflects the Company's need for expertise and independence.

In connection with the annual general meeting of the Company to be held on 29 April 2024, the nomination committee submits the following unanimous proposal:

2 THE BOARD OF DIRECTORS – THE NOMINATION COMMITTEE'S PROPOSAL

The current board comprise four board members: Terje Mikalsen (chair), Jarle Tautra, Richard Espeseth and Asta Stenhagen, all of which have participated in the vast majority of the 13 board meetings the company has held during 2023.

Asta Stenhagen is not up for election at this year's annual general meeting.

Jarle Tautra's term ends in 2024, and the committee proposes that Tautra is re-elected in his position for a period of two years.

Chair of the board Terje Mikalsen, and board member Richard Espeseth, have both expressed a wish to step down from the board.

The committee, unanimously, proposes that Mr. Mikalsen is replaced by Dag Opedal as new chair, and that board member Espeseth is replaced by Geir Bredo Larsen, both for a term of 2 years. In addition, the committee proposes that the board of directors to be extended with two members.

The basis for the described proposal by the nomination committee:

Dag J. Opedal (1959) holds a degree in economics and business administration from NHH (in Norwegian: "*siviløkonom*") in Norway, and earned an MBA from INSEAD business school in France.

Mr. Opedal has extensive managerial experience from previous positions in several public and private companies. He is a former CEO of Orkla ASA and Treschow - Fritzøe AS, EVP at Norgesgruppen ASA, President of Ferd Capital and managing director at Stabburet AS.

Mr. Larsen is independent of the Company's executive management, main shareholders and material business contacts, and does not own any shares in the Company as of 25 March 2024.

Further, the committee proposes that the General Meeting elects, for a period of two years, three new board members to strengthen the board. The proposed new board members comprise Marianne Aamodt, Vivian Espeseth and Mikael Pettersson.

The basis for the described proposal by the nomination committee:

Marianne Aamodt (1963) has 35 years of leadership experience from large Norwegian stock listed companies, and has built up strong finance teams in Aker Solutions and Hydro. Currently, she serves as SVP at Aker Solutions, leading finance teams globally with about 100 professionals located in regions (Malaysia, India, UK) including 40 people in Norway. She is also a board member for Aker Insurance and Aker Pensjonskasse. Aamodt holds a BSB and MBA from University of Minnesota, USA. For the last 5 months, Aamodt has also served as observer to the board, with good feedback from other board members, and the Company's top management. She is otherwise independent of the Company's executive management and business contacts, and does not own any shares in the Company as of 18 March 2024.

Mikael Alexander Pettersson (1972) is a Swedish entrepreneur and investor. Mikael is the main shareholder of the gaming company Fragbite Group, which is listed at Nasdaq First North. At the time of the listing of the company, he was one of the members of the board. Last year, Mr. Pettersson was elected as a member of Nasdaq Stockholm listed Orrön Energy's nomination committee, and has been on the board of Nasdaq First North listed Humble Group. Mr. Pettersson is independent of the Company's executive management, main shareholders and material business contacts, and owns 452,455 shares in the Company as of 25 March 2024.

In its deliberations, the nomination committee has emphasized that a well-functioning board should have a composition that covers all relevant fields of competence and experience to discharge its oversight responsibilities in a good manner, and to be well suited to deal with opportunities and challenges facing the Company. It is the nomination committee's view that the proposed board composition ensures such qualities.

For the same reasons, the nomination committee proposes that the annual general meeting makes a joint vote over the entire proposed board composition by adopting the following resolution:

1. *Jarle Tautra is elected as member of the Board of Directors for a two years term.*
2. *Dag Opedal is elected as chairperson of the Board of Directors for a two years term.*
3. *Geir Bredo Larsen is elected as member of the Board of Directors for a two years term.*
4. *Marianne Aamodt is elected as member of the Board of Directors for a two years term.*
5. *Vivian Espeseth is elected as member of the Board of Directors for a two years term.*
6. *Mikael Pettersson is elected as member of the Board of Directors for a two years term.*

The proposed board composition is compliant with the requirements for independence as set out in the Norwegian Code of Practice for corporate governance (NUES).

The two members of the nomination committee Arild S. Frick and Bjørn Gabriel Reed's terms end in 2024. The committee proposes that Arild S. Frick is re-elected as chair of the nomination committee for a two-year term.

The committee further proposes that Marit Moen Vik-Langlie replaces Mr. Reed as member of the nomination committee, for a two year term.

Marit Moen Vik-Langlie (1986) has 10+ years' experience as a corporate lawyer and has more than 5 years' experience as head of the legal department and part of the senior management team in the listed company OKEA ASA.
